TRAPPED

Gold is found in the hills of Cripple Creek! You decide to go search for the legendary Bowl of Gold. Unfortunately, you fall down the shaft of a long forgotten mine. Your quest for the Bowl of Gold is on hold for now. The question becomes will you find your way out or will you become one of the tales of the **TRAPPED** miners forever lost?

Novice and Advanced Levels

GEM

Eccentric mining billionaire Donald Keigh Pride has donated his most precious Gem to the museum. But it comes with a few surprises. The quirky old man has locked it in a safe and given the museum director one hour to open it. Can you help solve the puzzles and open the safe before time runs out?

Intermediate Level

CRANIUM

James Roberts wants his cranium back! You have just one hour to unlock the box containing the key to the display case.

But beware...if you run out of time James will take your head instead!

Please let James rest in peace not pieces!

FREQUENTLY ASKED QUESTIONS

Please read before booking experience

Do we have to wear masks?

Yes and No. Masks are required when entering and exiting the museum and while interacting with the game host. While you are in the experience your group can choose whether you would like to keep your masks on.

What precautions is the museum taking during COVID?

The museum is cleaned and sanitized throughout the day. Prior to your event the room will be thoroughly cleaned. All the materials used during your event will also be properly sanitized before you arrive. In addition, you will only be participating with the people you bring with you.

What is an Escape Room?

An escape room is a live 60-minute game. You and your team will step into a themed room with a unique mission where you will work together to solve puzzles to complete your mission. We are not your typical escape room as you cannot manipulate the objects in the room. But we are just as fun!

Will we actually be locked in the room?

Yes and No. There is not an actual door to the room where the experience will take place. You will, however, be locked in the museum as it is after hours and we do not want anyone to interfere with your experience.

Will there be other people with my group?

No. Only your group will be participating in your particular experience. There may be another group in a different room participating in a different experience.

When should I arrive?

Please arrive exactly at your reservation time. If you arrive early, please wait in your car or outside the museum until greeted by the Game Host.

What if I arrive late?

A mandatory 15-minute introduction is given prior to your experience. If you arrive more than 5 minutes late your reservation may be cancelled.

Can I add more people after the initial reservation?

Yes. But your group may not exceed 6 people. You can pay for extra participants upon arrival. We cannot provide refunds for bringing less people than on the reservation.

Can I bring someone who will not be participating?

No, only participants will be allowed in the building.

Is there an age limit?

While this is a family friendly experience, we recommend 6 years and older. Reading and problem-solving skills are required. In addition, there must be at least one participant 18+ in the room.

What can I bring with me?

Please do not bring anything except your enthusiasm, problem-solving skills, and sense of adventure! It is best to leave all personal items in your car or at home. In addition, we do not allow any food or drink in the museum.
